

SWAT 833 Triple Tree Bag Mounting Instructions

Step 1: This bag is meant to be mounted on bikes without bar risers like this GSX-R.

Step 2: Hold the bag tightly against the triple tree while you work the velcro straps around it.

Step 3: Make sure the velcro connection is secure.

Step 4: Check to see how secure the bag is. The bag should not be easily moved.

Step 5: This bag is meant for lightweight effects such as sunglasses, wallet, or keys.
